## ***Alaska Voluntary Organizations Active in Disaster***

### ***Cooperation, Communication, Coordination, Collaboration in Disaster Response***

*When disaster strikes Alaska's families, the Alaska Voluntary Organizations Active in Disaster (AKVOAD) convenes its members and other agencies to work cooperatively during the crisis. AKVOAD does not itself deliver services; members independently meet relief and recovery needs within the organization's cooperative framework.*

AKVOAD member services include animal control, building repair, child care, clean up, clothing, communication, counseling, damage assessment, disaster welfare inquiry, financial assistance, food, human relations, mass care, sheltering, transportation, volunteer staffing, and warehousing and bulk distribution.
